WELCOME BACK STUDENTS AND STAFF!

The Nutrition Services Department is pleased to welcome your child(ren) to the 2021-2022 school year! While there are many exciting changes happening within the department, we will continue to strive to make the meals offered at all of our district schools whole grain rich and full of locally sourced fruits and vegetables, when available.

Please encourage your child(ren) to select and consume all of the offered options to ensure they are getting the most balanced meals available.

Through an extension of the USDA pandemic program, our district will continue to offer free breakfast and lunch to all students in the district.

However, if you feel your family meets the income guidelines, please remember to fill out the application (via the link or paper) for fee waivers and other district funding. Your time and attention to this matter is greatly appreciated.
