**ARTICLE I – RECOGNITION**

- A. The Wellington Exempted Village School District Board of Education (hereinafter referred to as the Board) recognizes the Wellington Education Association, an OEA/NEA local (hereinafter referred to as the Association), as the exclusive bargaining representative for all certified teachers. Substitutes, aides, tutors, psychologists, non-certified personnel, and all administrative and supervisory staff are specifically excluded from the bargaining unit.
- B. No Association member will also serve as an administrator or supervisor with the authority to evaluate or provide input into another member's evaluation, or play any role in the discipline of another bargaining unit member.
- C. Part-time Definition: Part-time employees shall be those that work less than seven (7) hours or who work less than the minimal standard one hundred twenty (120) workdays in a work year.

**ARTICLE II – NEGOTIATIONS PROCEDURE**

- A. Either the Association or the Board may initiate negotiations by letter of submission to the other party no earlier than January 15 in the year the contract expires. The party receiving the intent to bargain letter shall respond within ten (10) working days. The parties will then mutually establish the date for the first negotiations meeting. At any negotiating session, either party may be represented by no more than five (5) representatives.
- B. Each party shall present its initial proposal in its entirety at the first regular negotiating session. Thereafter, new items may be presented only upon the consent of the other party. Counterproposals may be presented at any negotiating session.
- C. If, after sixty (60) calendar days from the first negotiation session, agreement has not been reached on all items under negotiation, either party may call for the services of the Federal Mediation and Conciliation Services to assist in negotiations. If a party calls for mediation involvement, the other party shall not refuse to participate in mediation. In the event that the services of a mediator are called upon, the mediation process shall last for a minimum of fifteen (15) days or until the expiration date of the Agreement, whichever is less, unless an extension of time is mutually agreed upon.
- D. The Board and the Association agree that the aforementioned Federal Mediation shall supersede all other dispute settlement procedures contained in O.R.C. §4117.14. The

Board further agrees that the teachers have the right to strike under Section 4117.14 as limited by 4117.15 and 4117.18(C) of the Ohio Revised Code.

- E. If during the life of the Contract, bargaining is necessary due to impact, severability, or a specified re-opener provision in the Contract, said bargaining shall be in keeping with the bargaining procedures set forth in O.R.C. §4117.
- F. Unless mutually agreed by both parties, bargaining shall occur during the normal work week beginning at noon each day.

Notice of a doctor appointment shall be provided at least five (5) days in advance except in extenuating circumstances when the notice shall be provided as soon as possible.

Except in extenuating circumstances that occur after the electronic reporting system no longer accepts absences for that day, notice of a daily illness shall be provided to the building administrator via a text message or a direct phone call as soon as possible prior to the start of the school day.

- D. The Administration may require that sick leave of more than three (3) consecutive days be substantiated by a physician's statement confirming that the employee is too ill to work.

#### 6.03 Unpaid Leave of Absence

- A. Upon a teacher's written request made at least thirty (30) days, if possible, prior to the commencement of the leave, the Board shall grant a Leave of Absence for a period of one (1) year for personal or family illness, childcare, maternity/paternity leave, or disability.

- B. During such leave, the teacher, upon his/her request, shall continue to be in the existing insurance benefit programs. The cost for this coverage is to be paid by the teacher no later than the twentieth (20th) day of each month in advance to the office of the Treasurer at the contracted premium rate charged to the Board.
- C. A teacher on an unpaid leave of absence must, prior to April 1st, provide a written notification to the Superintendent of his/her intention to return or not to return or to request an extension of the leave. Failure to notify by April 15th shall be processed as an intent not to return to employment and shall be considered a resignation by the teacher. The Board shall vote to accept said actions of the teacher as a resignation. Upon return to active service, the teacher shall resume the contract status held prior to such leave. The teacher shall be reinstated to the same or similar position he/she held at the time of the leave.
- D. A teacher requesting a leave of absence for a second year shall be granted said medical leave and may have it granted for the purpose of childcare.
- E. Placement on a leave of absence shall not preclude or prevent a teacher from being reduced in force in accordance with Article XV of this Agreement.
- F. Teachers on an unpaid leave of absence shall not be eligible to accumulate sick leave days or any other benefit beyond those provided under the FMLA, unless they have worked at least one (1) day during the current calendar month.
- G. Upon full use of available and eligible benefits under the FMLA, COBRA benefits may be available.

4. Full-time teachers shall accrue one (1) year of seniority for each year worked within the District.

5. Part-time teachers shall accrue seniority prorated against the minimal full-time teacher's work year within the District. (Part-time teachers, employed prior to July 1, 1993, shall retain all seniority accrued to that date).

- C. Limited contract teachers shall be reduced first utilizing the following order:
  1. Certification/Licensure within the affected teaching field.

  3. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field being the first to be suspended.

3. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field being the first to be suspended.

The notice shall state the reason for the RIF, the effective date of contract suspension, and the date of the Board's action to implement the RIF.

#### 15.09 Reassignments and Vacancies

- A. No new hire shall be employed in a bargaining unit position until all eligible, laid-off teachers have been offered such position.
- B. No transfer, reassignment, or reclassification shall be made during a period of RIF, which would permit the employment of a non-bargaining unit member and prevent the recall of a teacher on layoff status.
- C. Work previously performed by a teacher whose contract has been suspended by an implementation of a Reduction in Force shall not be subcontracted.

#### 15.10 Benefits

- A. COBRA benefits available according to federal law.

- B. Teachers on the recall list will be given preferential treatment as substitute and part-time teachers. However, acceptance or refusal of said positions shall not disqualify any teacher from either recall rights specified herein or the right to receive unemployment benefits.

#### 15.11 Recall Rights

- A. Teachers whose continuing contracts are suspended by the Board shall have the right of restoration to continuing service status by the Board if and when teaching positions become vacant or are created for which any of such teachers are or become qualified. Seniority shall not be the basis for recalling a teacher, except when making a decision between teachers who have comparable evaluations. Where comparable evaluations exist, laid-off teachers shall be recalled in order of seniority in keeping with contract status, certification, license, or other entry-level requirements for the bargaining unit position, i.e. most senior laid off teacher first recalled. Notice of recall shall be given by certified and regular mail to the last address given by the teacher to the Superintendent's office. A copy of the notice of recall shall be given to the Association. The teacher shall be given ten (10) working days to accept such offer and shall be granted a minimum of twenty (20) working days from the date of receipt of the recall notice to report to work. If a teacher has secured temporary employment elsewhere, he/she shall be allowed ten (10) additional working days before being required to work.
- B. A teacher who has been laid off shall remain on the recall list for a period of four (4) years unless he/she is recalled, waives his/her recall rights in writing, resigns, fails to accept recall to a position for which he/she is certified, or retires under an Ohio State Retirement System.

#### 16.04 Compensation for Substituting

- A. Every reasonable effort will be made to secure a regular substitute before a regular teacher is asked to serve as a substitute.
- B. Reassignment may only occur when no substitute is available and when the administrator's only option is to fill the vacant position from within the staff. Administration may not reassign an appropriately-certified teacher based on a need, when such an action results in the reassigned teacher's class being filled by a substitute.
- C. Any teacher reassigned to substitute for an entire day for an absent teacher will be compensated at the sub rate. Compensation for partial day substitutions will be determined on a per period basis.
- D. In those cases where a substitute is not available, any teacher agreeing to substitute may be used to cover the class (in whole or part) of the absent teacher. - H. Vacancies shall be filled with the most senior applicant, unless in the judgment of the Superintendent, said applicant is not the most qualified based upon past job performance or upon the teacher's training and experience. Seniority within the unit shall be the final determining factor in the filling of a vacancy if all other qualifications are equal. The Superintendent will not be arbitrary and capricious in making such decisions.
- I. If the most senior applicant is not selected for the vacancy and submits a written request, the Superintendent will explain the determination, in writing, to that most senior applicant and to the Association President.

## Ohio Teacher Evaluation System

## Assessment of Teacher Performance

## Teacher Performance Evaluation Rubric

The **Teacher Performance Evaluation Rubric** is to be scored holistically. This means evaluators will assess which level provides the best *overall* description of the teacher. The rating process is to occur on completion of each 30-minute observation and post-conference. To determine the rating for each 30-minute observation, the evaluator is to consider evidence gathered during the pre-conference, observation, post-conference and classroom walkthroughs, if applicable. Note that when completing the performance rubric, evaluators are not expected to gather evidence on all *indicators* for each observation cycle. Likewise, teachers may, but are not required to, bring additional pieces of evidence to address all *indicators*. The professionalism section of the rubric may use evidence collected during the pre-conferences and post-conferences as well as information from the Professional Growth and/or Improvement Plan, if applicable.

## Professional Growth Plan

The Professional Growth Plan helps the teacher identify areas of professional development that will enable the teacher to enhance practice. The teacher is accountable for implementing and completing the plan. The plan must align to any district and/or building improvement plan(s). The Professional Growth Plan is developed annually. It is to be reviewed regularly and updated as necessary based on collaborative conversations between the evaluator and the teacher.

The Professional Growth Plan should reflect the evidence available and focus on the most recent evaluation and observations. The Professional Growth Plan should be individualized to the needs of the teacher. The school or district should provide for professional development opportunities and support the teacher by providing resources (e.g., time, financial). The Professional Growth Plan must be clear and comprehensive. It is aligned to the most recent evaluation results and proposes a sequence of appropriate activities leading to progress toward the goals.

## **APPENDIX I**

### **FAIR SHARE FEE**

Until the *Janus v. AFSCME* Supreme Court Ruling has been overturned in its entirety, it has been agreed that this Section of the negotiated agreement shall be removed and placed in Appendix I as a suspended provision of the collective bargaining agreement. The parties, however, agree that if the *Janus* decision is overturned prior to the expiration of the successor contract ending July 31, 2028, the parties will reinstate this Section as it existed in the 2016-2019 contract. Additionally, to the degree that *Janus* is modified, the applicability of a modification shall be discussed through the mid-term process set forth in Article II, Section E.

The Board shall deduct from the pay of members of the bargaining unit who elect not to belong to the Association, except those teachers who did not join during the 1994-95 school year, a fair share fee for the Association's representations of such non-members during the term of this Agreement. No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association's work in the realm of collective bargaining. Said deduction of the fair share fee for all new and current bargaining unit members except as noted above shall be effective with the beginning of the 1995-96 school year.

- A. The Board shall deduct from the pay of members of the bargaining unit who elect not to belong to the Association a fair share fee for the Association's representation of such non-members during the term of this contract. No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association's work in the realm of collective bargaining.
- B. Notice of the amount of the annual fair share fee, which shall not be more than one hundred percent (100%) of the unified dues of the Association, shall be transmitted by the Association to the Treasurer of the Board on or about September 15th of each year during the terms of this Contract for the purpose of determining amounts to be payroll-deducted, and the Board agrees to transmit promptly all amounts deducted to the Association.
- C. Payroll deduction of such fair share fees shall begin at the second payroll period in January except that no fair share fee deductions shall be made until the second paycheck for bargaining unit members employed after January 31st.
- D. The Treasurer of the Board shall, upon notification from the Association that a member has terminated membership, commence the deduction of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual fair share fee less the amount previously paid through payroll deduction.

- E. The Board further agrees to accompany each such transmittal with a list of the names of the bargaining unit members for whom all such fair share fee deductions were made, the period covered, and the amounts deducted for each.
- F. The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09 (C) of the Revised Code and that a procedure for challenging the amount of the representation fee has been established. Such notice shall be given to each member of the bargaining unit who does not join the Association and such procedure and notice shall be in compliance with all applicable State and Federal laws and the Constitutions of the United States and the State of Ohio.
- G. Upon timely demand, non-members may apply to the Association for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the Association.
- H. The Association, on behalf of itself and the OEA and NEA, agrees to indemnify the Board for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:
1. The Board shall give a ten (10) day written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed.
  2. The Association shall reserve the right to designate counsel to represent and to defend the employer.
  3. The Board agrees to the following:
    - Give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding;
    - Permit the Association or its affiliates to intervene as a party if they so desire; and/or
    - Not oppose the Association or its affiliates' application to file briefs amicus curiae in the action.
  4. The Board acted in good faith compliance with the fair share fee provision of this Agreement; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except for a court order) or misapplies such fair share fee provision herein.
- I. Fee payers shall not be entitled to use the grievance procedure or to bring action against the Board for collecting the fair share fee.

## Ohio School Counselor Evaluation System

### Self-Assessment Summary Tool

The *Ohio Standards for School Counselors* define expectations for Ohio's school counselors based on what is known about the skills and practices of effective school counselors. The standards can be used as a guide for school counselors as they self-assess their professional effectiveness to identify their strengths and areas for additional professional growth.

One way for school counselors to self-assess is to respond to focused, guiding questions related to effective practices. This self-assessment tool offers both essential questions and statements for response.

The school counselor should consider each of the statements below and choose the response that most accurately represents performance.

Final Summative Rating

**Final Summative Rating of School Counselor Effectiveness**

Once you determine a rating for each of the rubric areas, based on the available evidence from multiple interactions, look at the larger picture of performance across all areas of the rubric. Although all areas are important for effective school counseling practice, you may find it appropriate to more strongly weight patterns of behavior in one area over another. The key point is that the evaluator should consider no one area in isolation, but should analyze each in relation to all other areas of performance. Determine which of the four performance levels is most appropriate for the school counselor based on this holistic process.

## Professional Growth Plan

## Professional Growth Plan

On an annual basis, a school counselor will develop two goals for professional growth and development; one in relation to the six standard areas, and the second in relation to the Metric of Student Outcomes area. Professional development should be individualized to meet the needs of the school counselor and specifically relate to the identified areas of refinement as identified in the school counselor's evaluation. The development of the plan can be informed by self-assessment, previous evaluation results, or other relevant data that will assist the school counselor in setting appropriate goals for professional growth. The evaluator should recommend professional development opportunities and support the school counselor by providing resources (e.g., time, financial).

### Improvement Plan

#### Improvement Plan

Written improvement plans are to be developed when a school counselor receives an overall ineffective rating. In addition, districts have discretion to place a school counselor on an improvement plan at any time based on deficiencies in any individual component of the evaluation system. The purpose of the improvement plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support. If corrective actions are not made within the time as specified in the improvement plan, a recommendation may be made for dismissal or to continue on the plan.

## Optional Form: Student Metrics

**Optional Form to Demonstrate a Positive Student Outcome Using Student Metrics**

This section of the model outlines the possible process a school counselor and evaluator might follow to determine the metric(s) of student outcomes and demonstrate a positive student outcome for the Ohio School Counselor Evaluation System.

**Step One: Identify Domain Focus Area(s):**

Identify the student domain area(s) in the district, building, cohort, or grade level(s) based on needs.

*Example: School counselor data from 2015-2016 showed that the incoming seventh grade cohort had on average the highest number of interpersonal student conflicts. Domain: Social/Emotional*

**Step Two: Identify Desired Student Outcome(s)**

Based on identified focus areas of need (step one), develop student outcome goal(s).

*Example: In 2016-2017, Smart Middle School data will show a reduction in the average number of interpersonal student conflicts among the seventh grade cohort by April 2017.*

**Step Three: Determine the Metric(s) of Student Outcomes**

Determine the measurement data to be used to demonstrate a change in student knowledge, skills or behavior.

*Example: Office Referrals (disaggregated to show the number of incidents of interpersonal conflict among seventh grade students). Peer Mediation Log Data (disaggregated to show the number of interpersonal conflicts mediated among seventh grade students). Survey data to show the number of students using mediation techniques to solve conflicts.*

**Step Four: Relevant school counselor activities/interventions**

Describe activities, lessons or interventions the school counselor will implement and monitor to achieve the desired student outcome(s).

*Example: The school counselor will train peer mediators and hold weekly sessions to support positive peer relations among seventh grade students. The school counselor will design and distribute an online survey to seventh grade students to assess their knowledge and use of conflict resolution techniques at the beginning of the school year 2016-2017 and again in the spring.*

#### **Step Five: Monitoring**

Over the course of the school year, monitor progress made on each metric of student outcomes.

*Example: The school counselor reviews data in November 2016 and February 2017 to note changes. Additionally, school counselor collects informal data from the peer mediation weekly sessions in November 2016 and February 2017, and he or she reviews the peer mediation logs for trends and patterns.*

#### **Step Six: Analyze Results and Report Results**

At the end of the evaluation process, determine the impact for each student outcome.

*Example: 2015-2016 school counselor data revealed that on average the incoming seventh grade cohort had 12 interpersonal student conflicts per month; in April 2017 data revealed that the seventh grade cohort had seven interpersonal student conflicts per month. Informal data from the peer mediation weekly sessions revealed that students reported using peer mediation to solve interpersonal student conflicts more frequently. Survey data showed that seventh grade students increased both their knowledge and use of conflict resolution strategies during the year.*

**Lake Erie Regional Council (LERC)  
Working Spouse Rule Effective 1.1.2022**

Any spouse that has single medical/prescription drug insurance coverage available through his/her employer, business, organization or retirement plan, that costs no more than 50% of the premium cost for the lowest cost plan, must enroll in that coverage and the Wellington Exempted Village School District Health Plan will coordinate as secondary payer for any and all services provided.

It is the employee's responsibility to advise the Wellington Exempted Village School District Benefit Plan (the "Plan") immediately (and not later than 30 days after any change in eligibility) if the employee's spouse becomes eligible to participate in group medical/prescription drug insurance sponsored by his/her employer, business, organization, or retirement plan after \_\_\_\_\_ or if the contribution for single coverage changes. Upon becoming eligible, the employee's spouse must enroll in single coverage under any group medical/prescription drug insurance sponsored by his/her employer, business, organization, or retirement plan unless he/she is exempt from this requirement because the cost for single coverage under the lowest cost plan is more than 50% of the premium cost.

*If your spouse is self-employed or an independent contractor and they offer health insurance to their employees, they must take that coverage*

Any spouse who fails to enroll in any group medical/prescription drug insurance coverage sponsored by his/her employer, business, organization, or any retirement plan, as required by this rule, shall be ineligible for benefits under such group insurance coverage sponsored by Wellington Exempted Village School District.

Every employee whose spouse participates under the Wellington Exempted Village School District's medical/prescription drug insurance coverage shall complete and submit to the Plan, upon request, a written certification verifying whether his/her spouse is eligible to participate in group medical/prescription drug insurance coverage sponsored by the spouse's employer, business, organization, or any retirement plan. If any employee fails to complete and submit the certification form by the required date, such employee's spouse will be removed immediately from all group medical/prescription drug insurance coverage sponsored by Wellington Exempted Village School District. Additional documentation may be required.

If you submit false information, or fail to timely advise the Plan of a change in your spouse's eligibility for employer (or business, organization, or retirement plan) sponsored group medical/prescription drug insurance, and such false information or such failure by you results in the Plan providing benefits to which your spouse is not entitled, you will be personally liable to the Plan for reimbursement of benefits and expenses, including attorneys' fees and costs, incurred by the Plan. Any amount to be reimbursed by you may be deducted from the benefits to which you would otherwise be entitled. In addition, your spouse will be terminated immediately from group medical/prescription drug insurance coverage under the Plan. If you submit false

information, you may be subject to disciplinary action, up to and including termination of employment.
