4. Native students of the Wellington Exempted Village School District who attended school in another school district under an interdistrict transfer and are forced to return or choose to return to the Wellington School District receive preference over students from other districts applying for enrollment.

The Wellington Exempted Village School District Board of Education reserves the right to revoke the admission of any and all students from other school districts enrolled under this policy until the Friday of the first week in September of the school year that students from other districts are enrolled in the Wellington Exempted Village School District if provisions 3, 4 and 5 of this policy adversely affect the rights of resident districts.
13. The Wellington Exempted Village School District Board of Education reserves the right to revoke the admission of any student from other districts who violate any provisions of this policy.
