Waiting Period – Employees who are eligible for dental benefits are covered on the first of the month following date of hire.

Eligible People – All eligible active employees as defined by Wellington Local School District who choose the dental plan (0920) and COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) enrollees.

Also eligible are your legal spouse and your children to the end of the month in which they turn 26, including your children who are married, who no longer live with you, who are not your dependents for Federal income tax purposes, and/or who are not permanently disabled. You and your eligible dependents may only enroll during an open enrollment period or when the enrollment is the result of a qualifying event as defined under Internal Revenue Code Section 125. Your dependents may only enroll if you are enrolled (except under COBRA) and must be enrolled in the same plan as you. Plan changes are only allowed during open enrollment periods, except that an election may be revoked or changed at any time if the change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

If you and your spouse are both eligible under this Contract, you may be enrolled as both a Subscriber on your own application and as a dependent on your spouse's application. Your dependent children may be enrolled on both applications as well. Delta Dental will coordinate benefits.

Delta Dental will use a carve-out method of coordinating benefits. If the patient has other coverage and that coverage has a higher priority than this plan, this plan's payment for covered services will equal the amount payable under this plan minus the amount paid by the primary carrier. This plan's payment will not exceed the amount that would have been paid in the absence of any other plan.

Benefits will cease on the last day of the month in which the employee is terminated.
