Gifted Attributes/Data Checklist

The following **Gifted Attributes Checklist** is based upon Frasier's *Core Attributes*, Dabrowski's *Overexcitabilities*, and Karnesky's *Brilliant Behaviors*, highlighting the typical characteristics of giftedness. Gifted students demonstrate behaviors that are **more frequent, more intense, lengthier, and at a higher level**, when compared to students of the same age. When completing the checklist, please keep this in mind when placing check marks next to Characteristic/Descriptors in the "**Evident**" column.

- Parents/Guardians: Please initial next to the attributes you've observed in your child, and sign the permission for assessment section on the referral form.
- Teachers: Please initial next to the attributes you've observed in the student, add 1-2 data points for each academic area to be tested, and sign beneath the data section.
